

K00363 AuCS-SI Retrofit Kit Installation Instructions

ATTENTION INSTALLER

Before beginning installation of this AuCS-SI unit, remove the small front access door to check the ice machine for the following parts:

Yes, my ice machine has the parts:

Follow the installation instructions in the Installation, Use, and Care Manual included with the Manitowoc AuCS-SI.

No, my ice machine does not have the parts:

Retrofit kit number, K00363, must be ordered from the local Manitowoc distributor (the kit will be supplied no charge).

An authorized Manitowoc ice machine dealer must install the K00363 kit.
